8. **Objective of the Programme:**
 - To disseminate accurate information about cancer, its types, risk factors, and prevention methods to the general public.
 - Encouraging individuals to recognize the signs and symptoms of cancer and seek medical attention promptly for early diagnosis.
 - Increasing awareness about the importance of regular screenings and check-ups for early detection and prevention of cancer.
 - Addressing common misconceptions and myths surrounding cancer to reduce stigma and fear associated with the disease.
 - Promoting healthy lifestyle choices such as regular exercise, balanced diet, avoiding tobacco and alcohol, and sun safety practices to reduce the risk of cancer.
9. **Outcome:**
 - Students gain a better understanding of different types of cancers, their causes, risk factors, and prevention strategies.

- Students are encouraged to adopt healthier habits such as avoiding tobacco and alcohol, eating a balanced diet, exercising regularly, and practicing sun safety.
- Students learn about the importance of early detection through regular screenings and self-examinations, leading to increased awareness and proactive health-seeking behaviors.
- Awareness programs can help in reducing risky behaviors such as tobacco use, excessive alcohol consumption, and unprotected sun exposure, which are linked to various types of cancer.
- Students feel empowered to make informed decisions about their health and take preventive measures to reduce their risk of developing cancer.
- Students who attend the seminar can serve as advocates for cancer prevention within their peer groups, spreading awareness and encouraging healthy behaviors among their fellow students.
- The college community may extend the impact of the seminar by organizing outreach activities and awareness campaigns in surrounding communities, thus spreading awareness beyond campus boundaries.

SEMINAR/ WORKSHOP REPORT

1. **Name of the Activity:** Special Lecture on Dengue Awareness
2. **Category of the Activity:** Seminar
3. **Date:** 29.06.2019
Time: 11.00 A.M.
Venue: Bagnan College
4. **Name of the Resource Person:** Dr. Dipanwita Das (Assistant Professor in Zoology, Bagnan College)
5. **Notification Schedule of the Programme:** Enclosed
6. **Official Letter of Communication:** NA
7. **Total Number of Participants:** 85
8. **Objective of the Programme:**
 - To increase understanding of Dengue fever, including its causes, symptoms, transmission, and prevention methods.
 - To enhance awareness about the risks associated with Dengue infection and the importance of early detection and treatment.
 - To empower students with knowledge and skills to prevent Dengue fever by implementing effective mosquito control measures, such as eliminating breeding sites and using protective measures like mosquito nets and repellents.
 - To foster a sense of responsibility and civic duty among students towards combating Dengue fever within their local communities.
9. **Outcome:**
 - Students got a deeper understanding of dengue fever, its transmission, symptoms, and treatment options.
 - The awareness lecture helped students to understand the risks associated with dengue fever. Learning about preventive measures like eliminating stagnant water, using mosquito repellents, and wearing protective clothing led students to adopt healthier habits to prevent dengue infection.

- The lecture inspired students to engage in community outreach programs or awareness campaigns to spread information about dengue prevention to a wider audience.

SEMINAR/ WORKSHOP REPORT

- 1. Name of the Activity:** Special Lecture on Dengue Awareness
- 2. Category of the Activity:** Seminar
- 3. Date:** 07.03.2020, **Time:** 11.00 A.M., **Venue:** Bagnan College
- 4. Name of the Resource Person:** Dr. Dipanwita Das (Assistant Professor in Zoology, Bagnan College)
- 5. Notification Schedule of the Programme:** Enclosed
- 6. Total Number of Participants:** 115
- 7. Objective of the Programme:**
 - To increase understanding of Dengue fever, including its causes, symptoms, transmission, and prevention methods.
 - To enhance awareness about the risks associated with Dengue infection and the importance of early detection and treatment.
 - To empower students with knowledge and skills to prevent Dengue fever by implementing effective mosquito control measures, such as eliminating breeding sites and using protective measures like mosquito nets and repellents.
 - To foster a sense of responsibility and civic duty among students towards combating Dengue fever within their local communities.
- 8. Outcome:**
 - Students got a deeper understanding of dengue fever, its transmission, symptoms, and treatment options.
 - The awareness lecture helped students to understand the risks associated with dengue fever. Learning about preventive measures like eliminating stagnant water, using mosquito repellents, and wearing protective clothing led students to adopt healthier habits to prevent dengue infection.
 - The lecture inspired students to engage in community outreach programs or awareness campaigns to spread information about dengue prevention to a wider audience.
